Sgt. Pepper's Lonely Hearts Club Band*

It was twenty years ago today
Sergeant Pepper taught the band to play
They've been going in and out of style
But they're guaranteed to raise a smile
May I introduce to you
The act you've known for all these years?
La la la la la la

We're Sergeant Pepper's Lonely Hearts Club Band
We hope you will enjoy the show
It's Sergeant Pepper's Lonely Hearts Club Band
Sit back and let the evening go
Sergeant Pepper's lonely, Sgt. Pepper's lonely
Sergeant Pepper's Lonely Hearts Club Band

I don't really want to stop the show
But I thought that you would like to know
That the singer's going to sing a song
And he wants you all to sing along
So let me introduce to you
The one and only Billy Shears
La la la la la la

With a Little Help from My Friends*

What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
I get by with a little help from my friends
Mmm I get high with a little help from my friends
Mmm gonna try with a little help from my friends

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?
No I get by with a little help from my friends
Mmm I get high with a little help from my friends
Mmm gonna try with a little help from my friends

Do you need anybody?
Could it be anybody?

Would you believe in a love at first sight?
Yes I'm certain that it happens all the time
What do you see when you turn out the light?
I can't tell you, but I know it's mine
Mmm I get high with a little help from my friends
Mmm gonna try with a little help from my friends

Do you need anybody?
Could it be anybody?
Someone to love
Love, love, love, love

What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
I get by with a little help from my friends
Mmm I get high with a little help from my friends
Mmm gonna try with a little help from my friends

Within You Without You*

We were talking about the space between us all
We were talking about the space between us all
And of people who hide themselves behind a wall of illusion
Never glimpse the truth, then it's far too late
When they pass away, pass away

We were talking about the space between us all
We were talking about the love we all could share
When we find it, to try our best to hold it there with our love
We could save the world, if they only knew
If they knew, if they knew, if they knew

Try to realize it's all within yourself
No one else can make you change
And to see you're really only very small
And life flows on within you and without you

We were talking about the love that's gone so cold
And the people who gain the world and lose their soul
They don't know, they can't see, are you one of them?
Are you one of them?

When you've been beyond yourself then you may find
Peace of mind is waiting there
And the time will come when you see we're all one
And life flows on within you and without you

When you've been beyond yourself then you may find
Peace of mind is waiting there
And the time will come when you see we're all one
And life flows on within you and without you

When you've been beyond yourself then you may find
Peace of mind is waiting there
And the time will come when you see we're all one
And life flows on within you and without you

When you've been beyond yourself then you may find
Peace of mind is waiting there
And the time will come when you see we're all one
And life flows on within you and without you

Penny Lane*

In Penny Lane there is a barber showing photographs
Of every head he's had the pleasure to have known
And all the people that come and go
Stop and say hello, say hello

On the corner is a banker with a motorcar
The little children laugh at him behind his back
And the banker never wears a mac
In the pouring rain, very strange

Penny Lane is in my ears and in my eyes
Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
I sit, and meanwhile back

In Penny Lane there is a fireman with an hourglass
And in his pocket is a portrait of the queen
He likes to keep his fire engine clean
It's a clean machine

A four of fish and finger pies
In summer, meanwhile back

Behind the shelter in the middle of a roundabout
The pretty nurse is selling poppies from a tray
And though she feels as if she's in a play
She is anyway

In Penny Lane the barber shaves another customer
We see the banker sitting waiting for a trim
And then the fireman rushes in
From the pouring rain, very strange
